Proposed Residential Buildings at GREENWOOD BUILDING Kalyan allowed work for Plumbing & Santation work as per the approval mail dt 23.05.2024 and agreed upon.

DEFINITIONS:

GMBL shall mean Golden Mile Builders LLP.and include his heirs, executors, administrator and assigns (in case of sole proprietary firm) the Partner or Partners for the time being comprising the said firm, the survivor or survivors of them, the heirs, executors, administrators of the last surviving partner, his, her or their assigns (incase of partnership firm) the successors or assigns (in case of Limited Company).

Contractor shall mean M/s. Madhuram Enterprices and includes executors, administrator and assigns.

A) GENERAL SCOPE OF WORK

1. Scope of works as per Final Offer / BOQ as mentioned above & subsequent discussions.

2. It is clearly understood that Contractor have studied BOQ / Specification / Make provided by GMBL and also Contractor have quoted for the make mentioned in the approved list and no further claim shall be entertained later on account of this by the GMBL.
3. The specification mentioned in the Final Offer / BOQ is as per IS Standards and best construction practices and same shall be followed by the Contractor.
4. Completion Period: The Contractor shall complete the Scope of work as per approved Work Schedule including mobilization period
5. The final quoted rate provided by the Contractor is inclusive of all wastages and the Contractor shall not charge for any no additional wastage.
6. Commencement of Work # The Contractor shall commence the work within
10 days from the date of issue of work order or notice to proceed whichever is earlier.
7. Payment terms: Monthly Billing against work done at site due within 30 days from the date of submission of Bill. Mobilization & Material Advance is not applicable for this Contract.
8. As agreed, any additional items shall be charged with the cost of material + labour + Plants & Tools + 15% for profits and overheads + all applicable taxes by the Contractor. For Non tendered items Amended Order shall be released within 45 days and shall be paid in subsequent RA Bills by the GMBL.
9. Escalation # For all the items, final quoted rate is firm till completion of work and escalation will not be considered under any circumstances.
10. Final measurement will be certified as per the final laid quantity.
11. For the rate only items, rate will remains same and Quantities may vary.
12. Mode of Measurement will be as per IS 1200.
13. Final bill shall be scrutinized and settled in 45 Days of its presentation including the certification by the GMBL along with any balance works.
14. For GMBL supply materials, reconciliation statement to be furnished along with the every bill if the actual wastage is more than the permissible wastage, the cost of excess wastage will be debited back @ 1.50 times of the actual cost of the materials.
15. Taxes & Duties # Individual item rate quoted is exclusive of GST. Any variation in the rate of taxes / duties, or imposition of new taxes / duties shall be reimbursed.
16. Retention Money - Retention money shall be deducted @ 5% from each R.A. Bill. The GMBL shall be free to set off the retention money against expenditure incurred by the GMBL in rectification of defects if the

Contractor fails to attend to same to the satisfaction of the GMBL. This balance retention money shall be refunded within one month of completion of Defect Liability Period by the GMBL.

17. Electricity - The GMBL will provide 3 phase power supply at one point

18. Space for Labour Shed # No open Space for labour camp shall be provided within site premises by the GMBL.

19. All local problems shall be handled by the Contractor.

20. Variance in Scope of Work - Variance will be applicable to the overall contract value and not individual BOQ items. However the total contract value to be executed is subject to variation of plus or minus 15% (Fifteen Percent) of the contract value. For any work to be executed beyond +15 %, prior written permission to be taken by the Contractor from the GMBL.

21. Maintenance Period / Defects Liability Period - The Contractor shall be responsible for rectification of any genuine defect attributable on account of poor workmanship or materials brought and used and notified within defects liability period i.e. 12 months from the completion of Scope of Work. The responsibility of maintenance and upkeep of the structures against damages, losses etc during the defect liability period shall be taken care of by the GMBL.

22. Delay / Extension of Time - For any delay, the Contractor should write to the GMBL with reasons for delay within 7 days. Extension of time will be allowed based on the evaluation of reasons by the GMBL.

23. Statutory Requirements - as applicable time to time.

a) Insurance #

- 1) Work men Compensation insurance for workmen and subcontractors workmen.
- 2) Group personnel accident insurance to staff.
- 3) Automobile liability insurance.
- 4) Third party liability Insurance.
- 5) CAR Policy - for all the equipment/ Machineries/ Assets owned by the Contractor under the Scope of Work.

b) PF Statement / Challans or Remittance of previous period / Muster Roll / Wage register / Wage Slip, ECR Copy, Annual Return PF must be enclosed with each and every RA Bill.

c) „Rates offered are inclusive of ESI as the same is „applicable for construction industry.

d) „Building & Construction Workers Act, 1996 # With respect to the enactment of the year 1999, construction workers should be registered under Building & Construction workers Act, 1996.

e) „The Contractor shall declare and produce certified copies of all registration certificates as may be necessary from time „to time including all statutory coverage and local laws.

f) „Labour laws # The Contractor shall follow the provisions of

„Labour Laws as may be applicable time to time.
g) „The GMBL reserves the right to withhold amount with respect
„to inadequate / non compliance of statutory requirement by
„the Contractor.

24. The Contractor to submit details of Plant and Equipment, Tools, Tackle proposed to be deployed for the execution of work with the descriptive literature, Organization Chart with details of Qualifications & Experience of Key Personnel proposed to be deployed for the work, Construction Schedule for the Completion of the work showing all activities and all major milestones, Quality Assurance Program, Safety manual and procedure on acceptance of Work order.

25. The Contractor shall depute senior and experienced Project Manager/ Supervisor full time at site along with other adequate staff as required.(Or as per site Encharge instruction)

26. The Contractor shall extent utmost value engineering / inputs to the GMBL in matters of various construction methods, sequencing, products, etc.

27. Withhold of Payments - on Failure of the Contractor to make payments properly and regularly to its own workers, to its Sub-Contractors, to its suppliers, or to nominated Sub-Contractors & If the delay of such payments is beyond acceptable limit, which results into delay in completion of Scope of Work, then the GMBL has a right to make such payments directly on behalf of the Contractor and deduct the same from consecutive RA Bill without any obligation on the part of the GMBL.

28. Safety: It is the responsibility of the Contractor to take care of all the necessary safety requirements and precautions to men and materials of the Contractor throughout the duration of the completion of the Scope of Work. The GMBL shall not be responsible for any loss due to death, theft, fire accidents or any other reasons, whatsoever happen at site. The Contractor shall be liable for payment of compensation arising out of the same and the Contractor shall indemnity to the GMBL for the same.

29. Liquidated Damages - Liquidated damages shall be levied @ 0.125% of the contract value per week or part thereof subject to a maximum of 5% (Five percent) of contract value. Liquidated damages will be calculated after considering suitable extensions of delays caused not attributable to the Contractor, in providing decisions at site / non issuance of GFC within reasonable time before the planned activity and delay due to force majeure stoppages.

30. Foreclosure - The Contractor shall be entitled to compensation for the work done, purchase made, terminal labor benefits and reasonable incidental expense if at any point of time after the site is fully mobilized and the project has to be stopped due to reasons not attributable to the Contractor. No loss on opportunity cost, loss of profit etc shall be payable by the GMBL.

31. Termination of Contract - The GMBL reserves the right to terminate the contract / work order by giving a 30 days' notice at its sole discretion without assigning any reason and in such an eventuality, the GMBL shall not be liable to pay any compensation to the Contractor. This has been clearly understood and agreed by the Contractor

32. Force Majeure - Neither party here to shall be held responsible for any delay or failure to perform any nor all the obligations imposed upon such party caused by Force Majeure. In such a case, the time for performance for such obligations and the obligations of the other party to the extent that they are directly affected by such occurrence will be extended by a period equal to that time.

Notification of circumstance of Force Majeure shall be given by letter /fax addressed to the other party within 15 working days of its occurrence. This letter /fax shall be confirmed by a letter within a week, along with a certificate of the relevant chamber of commerce, confirming the existence of the circumstances of the Force Majeure. Only the following shall be considered as Force Majeure, if they intervene before contractual delivery date and impede performance: Wars, Revolutions, Fire, floods, Epidemics, Pandemic, Earthquakes, and Quarantine restriction, Freight Embargoes, Strikes and Lockouts, Lockdowns imposed by the Government Authorities which directly affect the performance related to this contract. Unless otherwise directed by the GMBL, the Contractor shall continue to perform their obligations under the contract as far as practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event

33. ARBITRATION:

In the event any dispute or controversy between the Parties, which cannot be resolved amicably within 30 days of its being communicated in writing by either Party, shall be referred to Engineer # in #charge and if the Contractor is aggrieved by the decision taken by Engineer # in #charge then same shall be referred to arbitration in accordance with The Arbitration and Conciliation Act, 1996 and any modification thereto.

However, the Contractor shall be bound by interim or final decision taken by the Engineer-in-Charge and continue to perform its obligations under this Contract, unless the same is stayed, modified or reversed by any interim or final award/order of the Arbitrators.

Each party shall be entitled to nominate one arbitrator each and the two arbitrators shall jointly nominate a third presiding arbitrator. The parties agree that any arbitration award shall be final and binding upon the parties. In case the Parties do not come to mutual consent within 30 days, either Party can approach the Indian Council of Arbitration for appointing a Sole Arbitrator.

The place of arbitration shall be in Mumbai and the language of arbitration shall be English.

The cost of arbitration shall be shared by the Parties as per Award.

The parties hereto agree that, even though the dispute is referred to Arbitration, the Contractor shall be obliged to carry out their obligations under the Contract unless the Contract has already been repudiated or terminated. It is further clarified that the GMBL shall be entitled to retain any sum or portion of the Contract Sum which has become due and payable, for any unfinished works or any subject matter under arbitration till the final Award passed under Arbitration.

During the period when a matter/dispute is referred to the decision of the Engineer-in-Charge and if thereafter the matter is referred to Arbitration, the Contractor shall be bound by interim or final decision taken by the Engineer-in-Charge and continue to perform its obligations under this Contract, unless the same is stayed, modified or reversed by any interim or final award/order of the Arbitrators.

34. Notes:

All notices, invoices, communication required to be sent under this Work Order by the Contractor to the GMBL shall be sent or delivered to GMBL at the address set forth herein Golden Mile Builders LLP.
Attention: Mr. Jayant Bandiwadekar

GST TERMS & CONDITIONS:

(a) "The Contractor hereby undertakes that the Contractor shall „make timely payments of all taxes, duties, levies imposed by Government, be responsible for filing of all necessary tax returns and undertake all necessary compliances in accordance with applicable statutory requirements under the relevant Taxing Statute in relation to sum received from the GMBL.

(b) The Contractor hereby undertakes that it will issue the „tax invoices within a period of 30 days from the date of completion of supply in the manner and with all the prescribed particulars as are required to be specified as per the Goods and Service Tax (Tax invoice, credit and debit note) Rules, 2017.

(c) The Contractor undertakes that any discount in relation to a supply, whether offered before or at the time of, or after the supply, will be specifically recorded in the tax invoice issued by the Contractor or clearly identified with each supply invoice in any other manner agreed upon.

(d) The Contractor hereby undertakes that 'the address / location' of the GMBL to which the invoice will be issued by the Contractor will be at the address as mentioned in hereinabove at Clause 36. Separately, prior to issue of an invoice, the Contractor shall intimate to the EIC of the GMBL about 'the address / location' of the GMBL to which the invoice will be issued and a prior approval from the EIC of the GMBL in this respect will be taken by the Contractor.

(e) The Contractor undertakes that a debit note/ supplementary invoice with appropriate references to the original invoice will be issued within 30 days from the date of intimation in this respect by the GMBL.

(f) The Contractor undertakes that a credit note with appropriate references to the original invoice will be issued within 30 days from the date of intimation in this respect by the GMBL.

(g) The Contractor agrees that it is eligible to receive consideration towards a supply only after the correct details of supply are uploaded by the Contractor in the Form GSTR-1 which is subsequently reflected in Form GSTR-2A made available electronically to the GMBL. The Contractor also authorizes the GMBL to retain the payment of consideration to the Contractor till such time the correct details of supply are reflected in

Form GSTR-2A made available electronically to the GMBL.

(h) The Contractor agrees to indemnify the GMBL and keep it indemnified from and against any or all Liabilities, as defined in Explanation below, that accrues / demanded by Taxing Authority, in respect of or in connection with the execution of scope of work or payments made/due to the Contractor, arising under this Work Order or anything done pursuant to the same.

(i) Such indemnification of Liabilities by the Contractor to GMBL shall be made within ten (10) days of the Liabilities accruing / demanded raised by Tax Authorities on the GMBL either by way of issuance of show cause notice or order or decree.

RECEIVED & ACCEPTED

Each Party will comply with all laws, rules and regulations applicable to the performance of its obligations under this 4700150095 including legislations concerning Goods and Services Tax ("GST"), and shall take registration under the provisions of GST law, remit applicable GST, upload necessary statements / returns, etc. in the time and manner prescribed and do all other necessary steps within the prescribed timeline so as to enable the Other Party to take input tax credit of the tax paid and shall also procure and maintain all other licenses and permits necessary for the performance of its obligations under this 4700150095. The Indemnifying Party shall protect the interests of Other Party and indemnify it against all claims, liabilities, costs, fines, penalties, fees, expenses, demands, claims, interests, losses including those arising due to the inability of the Other Party to claim the input tax credit of GST and for any tax, interest, penalty, that accrues or is demanded by any Tax Authority or proposed to be imposed either during investigation or any action, audit or by way of issuance of show cause notice, or demanded by way of issuance of order or decree by a Tax Authority, which Other Party may suffer or incur or face due to non-compliance of any law, rule and regulation applicable to the performance of the Indemnifying Party's obligations under this 4700150095 including legislations governing GST.

In the event of any change of law, regulation, including but not limited to introduction and implementation of GST in India or subsequent amendments to legislations governing GST, occurs during the tenure of this Agreement which results in any benefit / tax reduction / saving / concession to one Party, such Party shall be bound to pass on such benefit / reduction / saving / concession arising due to such change in the law or regulation to the Other Party. Each party agrees and accepts its obligation, including but not limited to obligation in terms of Section 171 of the Central Goods and Services Tax Act, 2017, that any reduction in rate of tax applicable to the performance of its obligations under this Agreement or the benefit of input tax credit accruing to one Party shall be passed on to the Other Party by way of commensurate reduction in prices.

Our company is not going to indemnify any liability that arises due to any kind of taxes / duties wrongly charged, non payment of tax to Government, disallowance of input tax credit, interest, penalties including and in relation to compliances arising under respective Taxing Statute in course of execution of scope of work.
